PUBLISHED BY COOKSON HILLS ELECTRIC COOPERATIVE, INC.

Your Touchstone Energy® Cooperative

Federal Stimulus Bill offers funds for weatherization

The American Recovery and Reinvestment Act of 2009 can help many Cookson Hills Electric Cooperative members weatherize their homes and make energy efficiency improvements. The stimulus bill provides funds to make Oklahoma homes more energy efficient.

What is weatherization?

The Department of Energy's Weatherization Assistance Program is the nation's core program for delivering energy efficiency services to low-income households. The program's goal is to reduce energy costs to low-income persons by improving the energy efficiency of their homes while ensuring their health and safety.

Weatherization benefits low-income households and communities nationwide and generates an average energy cost savings of \$300 per home each year. Professional trained weatherization crews perform on-site energy audits using state-of-the-art equipment to identify outside drafts and inspect heating and cooling systems for efficiency.

Weatherization crews install insulation,

seal off air leaks, make modifications to (or replace) existing heating systems, and make minor repairs to ensure safety. These energy-saving measures help to reduce heating and cooling costs for years to come.

Who provides the weatherization services?

Community Action Agencies across the state provide weatherization and an array of other services in all 77 Oklahoma counties. The Community Action Agency that serves your county is listed in the chart below.

Do I qualify for services?

WAP has income eligibility requirements. You are automatically eligible if you and/or family members receive Supplemental Security Income (SSI) payments for the Aged, Blind or Disabled, or cash assistance payments under Title IV (Grants to State for 1920500 Aid and Services to Needy Families with Children and for Child Welfare Services).

You may also be eligible for assistance if your income meets the federally established income guidelines shown in the

chart below. You don't have to own your own home to qualify. You may qualify whether you own or rent, live in a single-family home, multi-family housing or in a mobile home.

WAP Income Eligibility Requirements

Size of Family	Maximum Income
1	\$21,660
2	\$29,140
3	\$36,620
4	\$44,100
5	\$51,580
6	\$59,060
7	\$66,540
8	\$74,020

For each additional member add \$3,740.

Is preference given to certain groups?

Even if you do qualify, please be aware preference for services is given to the very low income, persons over 60, persons with disabilities and families with small children.

How do I apply?

To apply for services or to get additional information on the Weatherization Assistance Program, contact the Community Action Agency that serves your county from the chart below. You can also check the website at www.okacaa.org or call **1-866-933-4203** for referral to the appropriate Community Action Agency.

County	Community Action Agency	Phone
Adair	Cookson Hills C.A.F.	918-456-0574

Hot Watts

is published monthly by
Cookson Hills Electric Cooperative, Inc.
Hot Watts informs members in parts of
seven Eastern Oklahoma counties
about Cookson Hills' programs and
issues. Cookson Hills Electric
Cooperative continually strives to
provide quality electrical service at a
reasonable cost for its members.

**Cookson Hills welcomes members to
submit photos, and articles which will
be subject to Cookson Hills editing.
Any submissions must be received
before the 12th of the month prior to
the publication date.**

**If You Find Your
Account Number Hidden
in This Issue of *Hot Watts*
You'll Receive a \$25 Credit on
Your Electric Bill**

Do you have a capital credit check to claim?

Cookson Hills Electric Cooperative is operated on a non-profit basis for the benefit of its members. This means any margins left over after Cookson Hills pays all its expenses, including taxes, belong to the members and not the cooperative. Each member's capital credit allocation is based on the member's electricity costs during the previous years. Cookson Hills issues capital credit checks during December of each year. At present, 1,687 checks remain unclaimed. One of these checks may belong to you or to someone you know.

Please look closely at the following list. If you find your name or the name of a friend or relative, please notify **Sonya** at **800-328-2368**.

To be able to better serve our members we need to have your current address and phone numbers. During an outage, it is very important to have a correct phone number. We need your home phone and cell phone number. Recently, many members have had their address changed, please notify us. Do we have your email for special promotions? Just give us call, or drop it in the mail with your bill. We will be happy to update your account.

Congratulations, **Jeff Burns** of Roland. Jeff is Cookson's March 2009 online survey winner.

Congratulations, **Billie Klein** of Porum. Billie found her account number hidden in the April 2009 issue of Hot Watts to win a \$25 credit on her electric bill.

GO TO WWW.COOKSONHILLS.COM AND COMPLETE THE ONLINE SURVEY FOR AN OPPORTUNITY TO WIN A \$10 CREDIT ON YOUR ELECTRIC BILL.

Energy TIP: There are many more ways to protect your home, including weather stripping doors and windows and sealing ducts. For step-by-step instructions on how to weatherize your home and start saving energy dollars today, download *Sealing Air Leaks and Adding Attic Insulation*, a do-it-yourself guide to weatherization from ENERGY STAR. The guide is available at www.energystar.gov.

More about energy: *Most air leaks occur in the basement and attic. Starting in your basement, look for gaps and cracks where your cement or block foundation meets the frame of your home.*
